AvidXchange Announces Sponsors and Record Registration for Their 2014 User Forum in Costa Mesa, California

Charlotte, NC (April 28, 2014) – AvidXchange, leading provider of AP and payment automation, is proud to announce record registration for their 2014 User Forum with more than a 30% increase in registration from last year. AvidXchange's User Forum (AUF) will be held at the Westin in Costa Mesa, California on April 29 – 30, 2014. This year's AUF theme, The Power of One, is inspired by AvidXchange's new and enhanced User Interface that they will be rolling out this year which will create one unified experience for clients throughout all of their offerings. The theme continues on by creating one great customer experience with partners and sponsors.

AvidXchange is proud to announce that MRI Software LLC, a leading global developer of innovative property management software will be the Platinum Sponsor of their conference. Comdata Inc., leading business-to-business provider of innovative electronic payment solutions, and Datex Property Solutions, a breakthrough business intelligence platform for real estate portfolio owners and managers, are both Gold Sponsors. REdirect Inc., a leading provider of real estate technology consulting and solutions, is a Silver Sponsor.

The User Forum will also have many opportunities for clients to provide their feedback, because AvidXchange knows that it only takes one idea to change everything. There will be two educational tracks for one powerful and specialized conference experience for attendees of different job functions. The keynote speaker, Bill Wagner of Accord Management Systems, will also play into the theme by delivering best practices for working with all of the personalities in attendees' organizations to create one high-functioning team.

About AvidXchange

AvidXchange revolutionizes the way companies pay their bills. Accounts Payable automation increases control and visibility into the bill payment process to reduce processing time, allow early payment discounts and eliminate late fees. Automation eliminates paper by electronically capturing invoices, using intelligent business rules to route invoices for approval and storing all information electronically providing anytime, anywhere access to invoice status and history. AvidXchange makes it easy to automate and

backs this great customer experience with a 45-day implementation guarantee. As the first SaaS technology vendor to automate invoice processing, AvidXchange works with suppliers to electronically send and receive all invoices through the Avid*Bill* Network. *S*tandard integration to more than 40 accounting systems speeds adoption and simplifies setup. Avid*Invoice* significantly reduces operating costs and improves productivity in a company's accounts payable department. Avid*Pay* eliminates 100% of paper checks from company's payment processes, maintains vendor information and payment preferences, and facilitates payments for every invoice, every vendor, and every bank. Headquartered in Charlotte, North Carolina, AvidXchange is privately held with over 150 employees nationwide. Contact us at 800.560.9305/ info@AvidXchange.com.
